Summer Reading at the
Mason Public Library

May 30 – July 27, 2017

www.masonpl.org

© 2017 CSLP

Ages 0 – 36 months

Read to your baby or toddler!

- Win a free book donated by Half Price Books each time you read 10 books.
- Win coupons and Culver's frozen custard when you first read 10 books.
- Win a small toy and put your child's name in our window when you have read 30 books.
- You could win Grand Prizes: Cozy Coupes, bubble machines, gift baskets ...
- Earn Grand Prize entry slips by reading, attending programs, and by completing literacy challenges. Expect to read, sing, talk, play, and "write" with your child.

Win Prizes as you help them learn!

Quick Tip: Pressed for time? Can't remember the title? When you log the books, we don't really need each title. Make a guess or call it "book". We know you're working hard! The important thing is to read with your child.

Prize pick up starts 6/5. Prize pick up & logging end 4 p.m. 7/27.

- Please check out and read (or listen to) books from our library, if possible. It helps our funding.
- Claiming your reward is faster when you have already entered your books online before coming to the library.
- You can have someone pick up your prize for you, if you'll be travelling.

Grand Prize winners will be drawn at the Rewards for Readers Program 10:00 a.m. Friday, July 28.
Thanks again to the many local businesses and organizations that donate to our summer reading program.
