

# Summer Teen Volunteer Planning Calendar: Mark out conflicts before Sign Up Days. Updated 3/21/19.

PV = Program Volunteer    LV= Library Volunteer    SV=Shelving Volunteer    **BOLD = @ Mason Community Center or Cottell Park**

**Register and train** and we will send you a **scheduling link via Remind at 7:30p.m.**  
**Monday two weeks before** each month's shifts start. If Monday is a holiday, we send it on Tuesday. Have your planning calendar and device handy. You will use SignUpGenius to reserve your spots.

**On the first day, you can only reserve one shift per week.**

**After 24 hours, you can reserve additional shifts each week.**

**Tips:** Only **one** person can register for each spot. Siblings or people sharing transportation must reserve their spots individually. The **volunteer's name** must show on the sign up, **not** the parent's or a sibling's. (We delete names that aren't on the Volunteer Roster). You can send **swap requests** to others to see if they are willing to trade. **Reminder emails** go out 2 days before your shift. If you cannot make it, **immediately** go into the SignUp and delete yourself from that shift. We expect **at least 24hours notice**. If you wake up sick, **also** call 398-2711 so we can fix the sign-in sheet. A good way to get additional hours is to **watch the signups for cancellations**.

**Service hour forms:** Bring a blank form to training. We will mail it to you with your service summary letter and a signed table listing all service date.
