Scheduling: Teens need to create a SignUpGenius.com account for themselves. SignUpGenius is a free scheduling tool that we use to manage volunteer assignments. Teen name, not a parent's, must show on SignUp to ensure the check in sheets print correctly. Shift reminders are emailed to this address. 7th & 8th graders should not use their school email because shift reminders will be blocked by the school. Scheduling links are sent via Remind during non-school hours. Access to shifts is first come, first served & is not guaranteed. Don't schedule yourself for a shift unless you can arrive on time or early. Shifts fill VERY quickly!

Volunteer Waiver: I, _____, state that I have volunteered my services to the Mason Public Library & do hereby waive any right of claim now or in the future for any injury to my person or property that may occur directly or indirectly in the performance of such services or any other services related thereto that I am requested to perform.
